By helping our partners to grow their life saving businesses, we are enabling wider communities across India to be safer by protecting them from the damaging effects of fire.

How do we add value to our customers:

- Our quick turnaround time and active engagement with your teams, helps you achieve customer satisfaction and market growth.
- Our niche technologies and customised fire safety solutions have been used in White House (USA) & Buckingham Palace (UK), they prove to meet both global and local standards.
- We make business easy for you with our supportive and ethical business practice.
- Our outstanding after sales support has proven to be one of the effective business services in the market.

PROLITE®
EMERGENCY LIGHTING SOLUTIONS

We help you escape in the dark because... we don't take it lightly !!!

Safety and security solutions are complicated. The same things cannot apply to different locations. An emergency light that is best suited for offices of certain limited approximate dimensions may be of no use in a huge sprawling godown or a corridor. Therefore, **Prolite** always recommends proper inspection and expert guidance BEFORE installation of safety devices or tools.

PREMIUM QUALITY MADE IN INDIA 100% ORIGINAL PRODUCT

Design

We take care to create products that please the eye and gel with any environment. So you don't necessarily need a fire to draw attention to our lights. They will elicit gasps of awe and appreciation just by their very presence.

Quality

Our 33+ years in the business has taught us that even the slightest compromise on quality can be hugely damaging & dangerous. WE strive to ensure that our quality control is always hitting on all cylinders before our products move to customers.

Performance

Our products are among the longest lasting and we manufacture 'long life' products that require minimum maintenance and give years and years of service n readiness 24x7. Also, our customer care department is always alert and ready to on short notice.

Conquering Newer Horizons

With a legacy traversing three centuries from the successful commercial discovery of crude oil at Digboi in 1889 and Independent India's first oil field in Naharkatiya - all in the north eastern state of Assam - Oil India Limited was born on 18th February, 1959 to increase the pace of exploration in Northeast India.

Dogged determination of some of the finest oil & gas explorers and a committed workforce has enabled OIL to expand its pan India presence and spread its wings overseas with footprints in countries such as Bangladesh, Gabon, Israel, Libya, Mozambique, Nigeria, Russia, USA and Venezuela.

Today, as a Navratna PSU, Oil India Limited is fully committed to achieve the co-created vision of becoming "the fastest growing energy company with Global Presence" with special emphasis on carrying out its duties as a responsible corporate citizen.

Setting the right pace globally

GEZE WINDOW TECHNOLOGY

Smoke & Heat Extraction systems (RWA)

SMART WINDOWS SOLUTIONS

Custom window solutions for your specific needs

GEZE provides solutions for different requirements for all aspects of **window opening and closing** and covers two major criteria- the emergency case and daily ventilation. The control for smoke and heat extraction is made by the emergency power supply unit. The windows, smoke flaps and light domes are opened and closed via electric drives. For ventilation purposes, the control is made via vent switch, rain/wind control or timer and in an emergency manually via RWA switch or automatically via smoke and heat detectors. Optional alarm signals can be connected in addition.

MESSAGE

Dear Industry Friends

Greetings!!!

Exasperated times are not over yet. The world is confined time and again to tackle pandemic situation. A big jolt for world economy is seen like never before. Our fire professionals in those testing times stand tall to serve mankind. Mankind is in debt to those fire safety professionals who performed their duties in most distressed times. Firemen have displayed highest degree of commitment. Some of our fire safety professionals have sacrificed their lives during hospital fire combat. We pay our humble homage to those mighty souls.

Fire industry also worked hand in hand with fire safety professionals by carrying out uninterrupted equipment supply when required. Now some of the business activities are coming on place. Efforts are being made to come back to its shape.

In that regard 5th edition of "Fire Industry Directory" is being published. The directory is silhouetted with gamut of information. The coming edition would be an extension to series of successful publication. I hope that it will carry the legacy further.

I congratulate "DV Enterprises" & its Director, Mayur Lalit for this effort.

Regards,

D.K. Shammi

(Former) Fire Adviser

MESSAGE

Dear Industry Colleagues!!!

Greetings!!!

Pandemic has created a lacuna for business activities across the world. It restricted the entire world in their homes. But few professionals in those exasperated times were performing their duty to serve the humanity. We are grateful to those noble professions and professionals whose gallant service served us and have helped to sail through till now. Medical professionals of any kind, fire service professionals & industry, media professionals are just to name a few.

Hospital fire emerged as an added challenge. That had multifold the test. We all are thankful and proud of our fire service professionals who locked their horns with the threat and saved many lives. Regretfully some of our professionals have laid their lives during fire combat. We pay our humble homage and can't thank them enough in our life time for their act of bravery.

Fire industry has also remained on toes to extend their uninterrupted support to keep the supply line abreast so that our professionals always remain equip for the combat.

After an interlude business activities are trying to come back to its feet with full capabilities. Though the combat with pandemic is not over yet but we humans live with never die sprit and triumph is our fate. We have seen these challenges earlier and emerged victorious & this time too we will.

In an endeavor towards initiating business activities new edition of “Fire Industry Directory” is a step ahead. That now we are moving on. Previous editions have accredited with praise by fire professionals & industry. I congratulate Mr. Mayur Lalit, Director, D V Enterprises for this effort.

Regards,

U. S. Chhillar

Dear Industry Friends

Greetings!!!

We have come out of very challenging times. It is a matter of relief that now the industry is reshaping and trying to come back to the normal activities. Many business promotion activities are back to its feet and garnering a good response.

During pandemic fire fighters all across the world have exhibited valor which deserves a salute from all of us.

I am pleased to know that the next edition of "Fire Industry Directory" is being published. The directory has marked its foot print edition by edition and established itself as authentic source of information pertaining to Indian fire industry.

We congratulate Mr. Mayur Lalit, Director, D V Enterprises, the publisher, for his endeavor.

Dear Industry Colleagues

Greetings!

The human species faces unprecedented survival challenge from one of the worst pandemic that the world has witnessed which has literally brought the world to a standstill, confining people indoors and impacting business houses adversely.

As employees were managing to operate from the new normal –'work from home', some professionals like the firefighter at Fire Service Fraternity of Oil India Limited have come forward to serve the stakeholders with their "We Serve to Save" motto, ensuring that OIL& our nation keeps conquering newer horizons despite the pandemic created hurdles.

To strengthen this Fire Service fraternity, global connectivity with various Fire Service Organizations deployed nationwide & tech savvy vendors for sharing of new technology, innovations & rapid upgradations in the field of fire safety is a necessity.

I am pleased that the 5th edition of "Fire Industry Directory" is being published by M/s. DV Enterprises. I am confident that this will help the Fire Service Fraternity of our Company as well as other fire service organizations deployed nationwide to achieve global connectivity within themselves. Also, I hope this would provide a potent platform to vendors to understand the evolving requirements of fire fighters and to bring innovations and product up-gradations wherever feasible.

Regards,

MESSAGE

Dear Industry Friends,

Greetings!!!

The mankind has gone through distressed times. Fire professionals during troublesome times have rendered their best services. This has helped many grieved during added calamity of fire. Many hospital fires erupted during pandemic not only that we cannot forget fire at serum institute as well.

Fire industry under restriction also worked tirelessly to extend the best support to the fire safety professionals by keeping production line up.

Economy is now major concern for the countries. Hence business activities are now coming on place. Publishing "Fire Industry Directory" is one of the sign of that.

I am happy that 5th edition of the "Fire Industry Directory" is being published. All previous editions have been useful for the professionals and industry. I hope coming edition would also meet the expectations. I wish good luck to Mayur Lalit, Director- D V Enterprises for his efforts.

MESSAGE

Dear Industry Friends,

Greetings!!!

After a lacuna created by pandemic, business activities are gearing up for initiating its activities with full capabilities. Though hindrances still prevails. But business activities are apt to come in shape again.

We first would like to pay my utmost humble homage to all the professionals who have stood tall during the calamity of pandemic and have helped mankind to combat with pandemic. Our fire safety professionals very gallantly have shown their mettle. Many fires during pandemic added to the troubled times but fire fighters with great courage combat with challenge which doubled with pandemic. My sincere & humble homage to them who laid their supreme sacrifice.

The 5th edition of “Fire Industry Directory” is being published. The directory has remained useful for the industry and fire safety professionals.

I admire the effort of Mr. Mayur Lalit, Director, D V Enterprises for publishing new edition.

Regards,

Mukesh Shah

Vice President

FPAI

MESSAGE

Dear Industry Friends,

Greetings!!!

The recent history of mankind has no witness of severe pandemic situation as it has existed today. In the frightening situation where entire world was advised to confine themselves few professionals were required to be on ground zero to let the world go on. They have remained in highest risk but they performed their duty with commitment. Be it medical professionals, fire safety professionals, media professionals, police, army and many more.

During the peak of pandemic situation we have witnessed many hospital fires, fire at serum institute, home fire, factory fires and so on. Fire safety professionals have remained unruffled by the challenges. They saved many human lives. Sadly some of our brave hearts sacrificed their lives. We are in debt to their supreme sacrifice.

Fire equipment industry also has kept its pace with fire safety professionals by providing required tools. But business activities were restrictive. Now business activities are regaining the momentum. Publishing 5th edition of Fire Industry Directory" is a step towards that direction.

I congratulate and wish well publisher Mayur Lalit, Director, "DV Enterprises" for this endeavor.

Regards,

Rajesh Sabdra

General Secretary, FPAI

MESSAGE

FIRE SAFETY & RESCUE EQUIPMENTS MANUFACTURERS ASSOCIATION

Dear Industry Colleagues,

Greetings!!!

The crisis of pandemic has induced unprecedented restrictive mode world over. The world has remained standstill. All economic activities have come to restrictive mode. Never heard before situation where human lives were at stake.

During the exasperated times our fire service professionals were living up to the motto “We Serve to Save”. Many fires during pandemic had struck. Fire fighters with utmost courage stood tall to double impact of challenge of pandemic and combating with fire. Humanity salutes those brave hearts.

The impact on the industry was unavoidable. But complying with pandemic protocol it has tried to serve with best of capabilities so that our fire safety professionals do not experience any kind of scarcity of the equipments which are required for their safety.

Business activities can't be on halt for longer period, as it may lead to economic crisis. It also would impact many remedial and altruistic activities on hold being carried by governments. Business fraternity is now trying to haul its activities and trying to regain its shape. Henceforth many business activities are being initiated. Publishing 5th edition of “Fire Industry Directory” is a sign of that. The previous editions of the directory have remained very useful and showered with praise from fire safety professionals and industry. I hope that coming edition will live up to the expectation.

I congratulate Mr. Mayur Lalit, Director, D V Enterprises for publishing such meaningful publication.

Regards,

Gurpreet Singh

General Secretary

FSRMA

Dear Industry Colleagues & Friends,

Greetings!!!

We are pleased to present the 5th edition of "Fire Industry Directory". The industry is coming out from exasperated pandemic times. It was very first time in the history of mankind when the entire world has come at halt and hence no business activities were performed except few, which were essential services.

The repercussion caused due to this will fade away soon. As business activities have come back on track world over. In wake of that we are pleased to publish the next edition of "Fire Industry Directory" with expanded horizon this year.

We strive to make "Fire Industry Directory" a cost incentive business promotion platform with all authenticity of data and make its reach wider to the core buyer segments.

The very first time we have made "Indonesia" as our country partner to expand the spectrum of business activities for Indian fire industry. We have also launched a website dedicated to fire and safety industry to compliment our efforts of our publication i.e. "Fire Industry Directory"

First and foremost I would like to extend my heartfelt thanks to Mr. Placidus Peterus, IFRF for accepting our request for becoming country partner with our publication. I am touched with his keenness to bring a substantial cooperation between the fire industry of two countries.

I am thankful for the kindness, support and guidance of the stalwart of the industry whose unconditional support has encouraged us always.

My sincere note of thanks to Mr. U.S. Chhillar (DG- IFE (I), Mr. D.K. Shammi (Former Fire Advisor), Mr. Steven Ooi (Malaysia Fire Protection Association), Mr. Nitin Shah (President, Fire Protection Association of India), Mr. Mukesh Shah (Vice- President, Fire Protection Association of India), Mr. Rajesh Sabdra (General Secretary , Fire Protection Association of India), Mr. M. C. Aggarwal (President , FSRMA), Mr. Gurpreet Singh (General Secretary , FSRMA), Mr. Nand Kumar (President, ESAI), Mr. Ajith Raghvan (President, FSAI) to name a few.

A very special note of thanks for the featuring companies in the edition who have enable us to expand the bandwidth of our efforts.

I hope that this edition will also meet the aspirations. We also solicit valuable feedback from the industry to make "Fire Industry Directory" matching to the expectation of the industry.

Regards,

Mayur Lalit

Director

D V Enterprises

PREFACE

We are proud to present the 5th edition of "Fire Industry Directory" (FID). The directory is a B2B publication soaked with pertinent information of fire equipment manufacturers, service providers and fire professionals etc.

We believe that the information provided in the "Fire Industry Directory" will be beneficial for the industry to promote business and to attain organizational objectives. The directory will reduce the time to reach to specific and targeted customer segment for better yield.

Despite of our best efforts to include maximum number of players of the industry, we acknowledge that there are yet to be included. We request to fire equipment manufacturers, resellers etc. to fill up "Data Entry form" and send send us on below mentioned e-mail address to include addition in the next edition.

We have taken due diligence and care in compilation of data but we are not responsible for any likely errors/ mistakes that might occur. We believe that there is always room for improvement & in this direction we request to listed companies to intimate us about correction in their information through "Data Amendment Form" included in the directory and send us on below mentioned emails. Your kind support and cooperation is much solicited.

We hold no responsibility for any decision taken by readers on the basis of information provided in "Fire Industry Directory".

Happy Referring!!!

Profile of the Institution of Fire Engineers (India)

Founded-1973

About us: -

The Institution of Fire Engineers (India) was established on the **recommendations of the standing Fire Advisory Council constituted by the Chiefs of Fire Services in India and headed by DG, NDRF & CD, Ministry of Home Affairs, Govt. of India.** The Institution was founded in the year 1973 as a premier non-government organization (NGO) and professional body registered under the Societies Act, 1860 as resolved in one of the meeting held under the Chairmanship of the **then Dy. Home Minister, Ministry of Home Affairs, Govt. of India Sh. B.N. Datar.** IFE (I) is dedicated to the cause of fire engineers and fire engineering profession. The Graduateship Examination conducted by the Institution is recognized by the Ministry of HRD, Department of Education, Govt. of India for appointment to the post of Divisional Officer/Asst. Divisional Officer and below in Central and State Govts./Public Sectors and Local Bodies & Industries Fire Services.

Back Ground: -

After independence in 1947 there was no recognized Institute for imparting training in the field of Fire Engineering and Fire protection Technology. Personnel engaged in Fire Services were acquiring professional competency by seeking membership of the Institution of Fire Engineers (UK) with a view to enhance their professional skills and qualification for promotional avenues for holding senior positions in fire services considering the dire need to trained qualified Fire Officers. The Government of India has set up National Fire Service College in the year 1956 under the Ministry of Home Affairs by introducing various Training courses for serving Fire Service Professionals and also fresh candidates in Sub. Officer Course for induction in Fire Services.

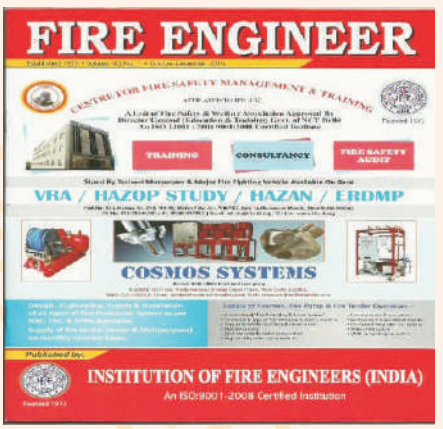
Due to fast Industrialization and rapid increase in Fire hazards the NFSC could not cope up with increasing demands to impart professional training to fire professionals at various levels. The idea of setting up Institution of Fire Engineers (India) on the lines of IFE (UK) was eventually mooted in one of the meetings of the Standing Fire Advisory Council setup under the MHA to provide qualified Fire Officers for the Fire Services in our country. Way back in the year 1973 a group of officers heading various Fire Services in the country founded this Institution and got it registered under Societies Act 1860.

Management: -

The affairs of the Institution are managed by the Executive Council headed by a President and 17 elected members. General Secretary functions as Executive for running the affairs under the guidance of the Council.

Activities: -

The main objectives of the Institution in force are as under: -



- Conduct graduateship examination, which is recognized by Government of India.
- Publishing quarterly technical journal **"Fire Engineer"**.
- To associate with all organizations engaged in Fire Protection work and making significant contribution in promoting Fire Engineering Science.
- Organizing Conferences and Seminars and Training Workshops as well as Exhibitions.
- Rendering technical advice on any specific problem related to Fire & Life Safety.
- To take-up assignments to evaluate Fire Risks to carryout Fire Safety Audit and to provide Fire Protection Scheme of Industries and Commercial complexes.
- To conduct training programme for various levels and to conduct coaching classes, to prepare students for various Fire Service Examinations.

- To fulfill the objective of propagating and spreading the knowledge & education in the field of Fire Sciences, the Institution organizes, International & National Conferences, Seminars & Workshops.
- **Member – Bureau of Indian Standards, Technical Committees such as CED 22, CED 36 & CED 46 for preparing BIS Standards.**
- **Member – National Fire Protection Association, USA**

IFE Consultancy Services:-

RULES FOR FIRE PROTECTION CONSULTANCY ASSIGNMENTS

IFE Consultancy Services has been setup as a unit of the **INSTITUTE OF FIRE ENGINEERS (I)** TO carryout survey and provide professional services on Life and Fire safety as per provisions appended in the Memorandum of Articles of Association & Byelaws of the Institution. The Main scope of work aims & objectives of the Consultancy services are as under:

Audit of existing fire protection arrangements and to suggest necessary improvements, modifications to ensure optimum operational efficiency of the system and equipment including procedures for preventive maintenance schedule. This will include examination of existing smoke detection & fire alarm system, fire hydrant system and portable fire extinguishers and means of escape for life safety. This scope shall also include suggestions for segregating compartmental on mechanical ventilation and air pressurization etc. wherever required to ensure life safety and smooth evacuation during smoke logging in case of fire.

(a) To carry out survey for risk assessment and fire fighting and rescue control management for industries, commercial institution and high rise complexes. The project report will give assessment of total fire protection requirements including manpower, appliances, systems and equipments (fire fighting, search rescue and life safety) for each offices, stores workshop, buildings and open areas including jungle etc. separately.

(b) The scope of work shall include preparation of schedule of quantities cost estimates for each job, tender specifications, and supervision during execution of new works for acceptance and commissioning of system and equipment.

(c) To offer guidance and explore ways and means, through any or all of the following channels, to facilitate maintenance and improvement of the standard of technical knowledge of persons who are or likely to be engaged in the profession of Fire Engineering.

(d) Establishing link with schools, colleges and technical institutions where students and apprentices may obtain sound education and training in Fire Engineering.

(e) Holding of classes, whole or part time, within or outside the Institution, for the benefit of employees of the industries engaged in Fire Engineering, at the initiative of the employer.

(f) Holding examinations or tests, oral or written, to judge the competency of the candidates or for award of certificate and Diplomas.

(g) Judging and ascertaining qualifications of the persons, at the initiative of the employers or employees, to determine the suitability of an individual for a particular job and grading the qualifications essential for the effective and efficient performance of a job concerning Fire Fighting, Fire Prevention or Fire Engineering.

(h) To provide advice and render services in matters relating to Fire Fighting, Fire Prevention or Fire Engineering to the Government of India, states, local bodies, Public Undertakings and industry when called upon to do so.

(i) To offer suggestions, advice and guidance to the Government and local Bodies Industries and commercial institutions relating to Fire Prevention, fire fighting and rescue capabilities.

(j) To carry out inventions and to investigate the merits and demerits of the inventions so far made in the scientific field with a view to employ such inventions advantageously for the betterment of the practice of Fire Engineering.

(k) To assist development of sophisticated Fire Appliances to meet the multifarious needs of the community.

(l) To prepare project reports for establishments of Fire Services in States, Union Terriroties, Metropolis Cities, High Rise Complexes, Industrial Setups, and Industries/PSU's including recruitment rules, training of personnel, discipline and appeal rules, and conditions of service, promotions and welfare measures.

PANEL OF EXPERTS:-

The following members constitute the panel of experts for consultancy services. In addition any suitable person or any expert required for carrying out consultancy projects with competency and speed can also be associated. The names of the existing panel of experts is as under:

1. **Mr. U.S.Chhillar - Ex. DFO, Delhi Fire Service**
2. **Mr. M.S. Patyal – Chief Fire Officer (Retd.), Bhakhra Beas Management Board**
3. **Mr. R.B. Kholkumbe – Retd. Dy. CFO, Mumbai Fire Brigade**
4. **Mr. Rahul Chhillar – G.I,Fire.E. India), MBA & Fire Consultant**
5. **Sh. A.K. Bhatnagar – Ex. DFO, Delhi Fire Service**
6. **Sh. Rajesh Panwar – Dy. Chief Fire Officer**
7. **Sh. P.S. Dahiya – Divisional Fire Officer**
8. **Sh. A.K. Malik – Divisional Fire Officer**
9. **Sh. V.K. Sharma – Addl. Director – (HT&FA) – CFEES (Retd.)**
10. **Sh. B.S. Chhina – Ex. Additional General Manager (Fire Service) Airports Authority of India**

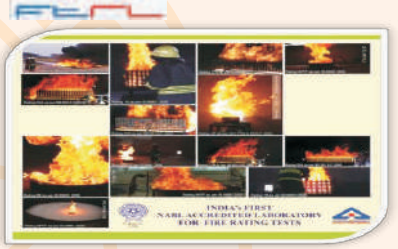
The Institution also organizes National & International Conference & Exhibitions. In these conferences eminent experienced Fire Safety Scientists & professionals from all over the world are invited to present papers. Such conferences have become very popular among Fire Research Scientists, Engineers, Technologists, Architects, Town Planners, Consultants, Fire service Officers, Health Safety Officers, Executives and Managers from Rail/Road Transport Sector, Metro Rail, Aviation, Port, Off-shore drilling platforms, Power Plants, Fertilizer Industry, Refineries, Oil/Gas Sector, Security managers and Executives from public undertakings, Hotels, Hospitals and High rise Complexes, Shopping Malls/Multiplexes, Manufacturers, Suppliers Insurance Surveyors, Loss Evaluators and all concerned with decision making.

During International Conferences, Exhibitions are also organized in which , latest Fire Fighting, Technology, Communication, Rescue, Life Safety and Security Control equipments by Indian manufacturers and large spectrum from other Asian Countries as well as from Europe and America exhibits their products. So far Eight International Conferences & Exhibitions have been organized which were attended by large number of professionals from within the country and Abroad. The first International Conference was held in the year 1994, second in 1997, third in 2002, fourth in 2004 & fifth in 2006, sixth in 2007, seventh in 2009 eighth in 2011 and ninth in 2013and tenth in 2015..

In addition, National level conferences were also organized, in the past and this year we have planned to organize two conferences in the near future. The other major activities conducted by the Institution are to provide consultancy on Setting up Fire Stations in Cities, Towns, Rural Areas and give advice on Fire Safety related issues, to conduct Fire Safety Audits of all types of occupancies, including those of Industries, Hotels, Hospitals, Malls, Commercial Complex, High Rise structure, Power Generation Plants and up till now we have provided consultancy to Central Govt. undertakings, State Govt. undertakings & large Industrial Establishments.

Fire Test & Research Laboratory

The Institution has established a Fire Test & Research Laboratory at Sonipat, Haryana. This laboratory has been accredited by the National Accreditation Board of Laboratories under Ministry of Science & Technology, Govt. of India and has taken steps forward to provide testing facilities to the Industries and assurance for quality control to the users of fire Safety equipments.



The laboratory is also approved by Bureau of Indian Standards for Testing of Portable Fire Extinguishers as per IS:15683 & IS:16018, Dry Chemical Powders as per IS:4308 & 14609, Foam Concentrates (AFFF – 3% & AFFF-6%) as per IS: 4989 & UL – 162 and Water Mist type Fire Extinguishers as per European Standard – EN-3-7. The list of approved IS Standard is given below for kind information…

1. **IS : 636 : 1988** - Specification for Non-Percolating Flexible Fire Fighting Delivery Hose
2. **IS : 884 : 1985** - First-Aid Hose Reel for Fire Fighting
3. **IS : 901 : 1988** - Specification for Coupling, Double Male & Double Female Instantaneous Pattern for Fire Fighting
4. **IS : 902 : 1992** - Suction Hose Couplings for Fire Fighting Purpose
5. **IS : 903 : 1993** - Fire Hose Delivery Couplings, Branch Pipes, Nozzles and Nozzle Spanner
6. **IS : 904 :1983** - Specification of 2-Way and 3-Way Suction Collecting Heads for Fire Fighting Purpose
7. **IS : 905 :1980** - Delivery Breechings, Dividing and Colleting, Instantaneous Pattern, for Fire Fighting Purpose
8. **IS : 906 :1988** - Revolving Branch Pipe for Fire Fighting
9. **IS : 907 : 1984** - Suction Strainers, Cylindrical Type for Fire Fighting Purpose
10. **IS : 908 : 1975** - Fire Hydrant, Stand Post Type
11. **IS : 909 : 1992** - Underground Fire Hydrant, Sluice Valve Type
12. **IS : 910 : 1980** -Specification for Combined Key for Hydrant, Hydrant Cover & Lower Valve
13. **IS : 926 : 1985** - Specification for Fireman Axe
14. **IS : 927 : 1981** –Fire Hooks
15. **IS : 952 : 1986** –Fog Nozzle for Fire Bridge Use
16. **IS : 2097 : 1983** -Specification for Foam Making Branch Pipe
17. **IS : 2546 : 1974** - Galvanized Mild Steel Fire Bucket
18. **IS : 2871 : 1983** - Specification for Branch Pipe, Universal, for Fire Fighting Purpose
19. **IS : 4927 : 1992** - Specification for Unlined Flax Canvas Hose for Fire Fighting
20. **IS : 4947 : 2006** - Gas Cartridges For Use in Fire Extinguishers-Specification
21. **IS : 5290 : 1993** - Landing Valve
22. **IS : 5612 (Part II) : 1977** - Specification for Fire Hose Clamps and Hose Bandages for Fire Bridge Use
23. **IS : 5714 : 1981** - Specification for Hydrant Stand Pipe for Fire Fighting
24. **IS : 8090 : 1976** -Specification for Couplings, Branch Pipes, Nozzle used in Hose Reel Tubing for Fire Fighting
25. **IS : 8096 : 1992** - Fire Beaters
26. **IS : 8423 :1994** - Controlled Percolating Hose for Fire Fighting
27. **IS : 8442 : 2008** - Stand Post Type Water and Foam Monitor for Fire Fighting
28. **IS : 12585 : 1988** - Specification for Thermoplastic Hoses(Textile Reinforced) for Water-General Purposes
29. **IS : 16018 : 2012** - Wheeled Fire Extinguishers Performance & Construction

As you are already aware that we are already having following tests since last several years :-

1. **ICAO Doc. 9137 – AN/898**, Airport Services Manual Part 1 Foam concentrate for producing mechanical Foam for firefighting viz; AFFF, Protein Foam Fluor protein Foam (conventional), Film Forming Fluor protein Foam (FFFP) and synthetic Foam
2. **ISO : 7202:2012 –** Dry Chemical Powders for Fire Extinguishing for Class BC and ABC Fires
3. **DIN EN 1866-1:2007 –** Mobile Fire Extinguishers – Part 1: Characteristics, performance and test methods English version of DIN EN 1866- 1:2007-10 .
4. **BS EN 3-8:2006 – Part 8: -** Additional requirements to EN 3-7 for the construction, resistance to Pressure and mechanical tests for extinguishers with maximum allowable pressure equal to or lower than 30 bar.
5. **EN 3-7:2004 + A1:2007 (E) Part-7, -** As per European Standard Portable fire extinguishers Characteristics, Performance measurements & test methods.
6. **IS:4989:2006 -** Foam Concentrate for producing mechanicalfoam for fire fighting
7. ***IS:4989 (Part4):2003*** **-** Multipurpose aqueous film forming foam Liquid Concentrate of extinguishing hydrocarbon and polar solvent fires.
8. **IS:4308:2003** - Dry Powder for Fire Fighting B & C Class Fires
9. **IS:14609:1999** - Dry Chemical Powder for Fighting ABC Class Fires.
10. **IS:15683:2006 -** Portable Fire Extinguishers – Performance and Construction.
11. **ISO:7165 -** Fire fighting portable fire extinguishers-Performance and construction.
12. **IS:16018:2012 -** Wheeled fire Extinguishers.
13. **UL-711:2004-** Rating and Fire Testing of Fire Extinguishers
14. **UL-162 –** AFFF, Protein Foam, Film Forming Fluoro Protein, Fluoro Protein for both Hydrocarbon & Polar Solvent Fires.

Third Party Fire Vehicle Inspection

1. M/s. J.P. Associates (Water Tender, Foam Tender & Hydraulic Platform)
2. Nagaland Govt. Fire Services (Water Tender, Foam Tender & Trailor pumps)
3. J & K Fire & Emergency Services (Water Tender, Water Bouser, Foam Tender, Fire Pumps & Trailor pumps)
4. M/s. Brijbasi Hi-Tech Udyog ltd., New Delhi. (Water Tender, Foam tender, Water Bouser, Hydraulic Platforms and Trailor Pumps)
5. M/s. United Manufacturing Co., New Delhi. (Water Tender, Foam Tender and Water Mist Vehicle). For Govt. of A.P. Fire Service.
6. M/s. United Manufacturing Co., New Delhi. for export to Govt. of Ghunna, Water Tender & Foam tender.
7. Shri Ganesh Fire Equipments (P) Ltd., New Delhi. (Water Tender) for Govt. of A.P. Fire Service.

How Fire-Ready Are You?

Swastik Rolling Shutters is committed to the commercial Rolling Door Industry by providing High Quality, Innovative Products of Value.

Swastik adheres to International Standards and believes in giving the very best products and services to our customers which are timely and cost-effective.

Fire Rolling Doors

We offer a complete line of automatic resetting fire rolling doors. Whatever the application, Swastik has the right fire rolling door and fire door system.

- Available for 4, 3, 1 ½ and ¾ hours ratings - UL / FM / WH Listings
- Mode of Operation - Motor / Hand Chain / Hand crank
- Approved for all wall types (concrete, masonry, structural steel, structural steel with gypsum board)
- Vision Windows (optional)

Choice of Finishes:

- FinalCote™ - (Standard) (Tan, White, or Gray)
- ColorCote™ - 180 Standard Colors (optional) - Unlimited Custom Colors (optional)
- Stainless Steel Polish

Insulated Fire Rolling Doors

Swastik's Insulated Fire Door is ideal when an opening in a fire wall requires a door that will reduce energy costs as well as serve as a fire barrier.

- Available for 4,3,1 ½, ¾ Hours Fire Rating – UL / FM
- Mineral Wool Fire Resistant Insulation provides STC Rating of 27
- Available UL "S" Label for smoke protection. Control and contain fires by limiting oxygen flow.
- Heavy duty brush weather-strip on the guides and lintel reduce air and dust infiltration.

SWASTIK SHUTTERS • Industrial Sectional Door • Sliding Gate • Swing Gate • Fire Shutter • Automatic Barriers • Rolling Shutters • High Speed Door • Sectional Garage Door

FIRE PROTECTION ASSOCIATION OF INDIA
Striving for a Fire Safe World

FPAI PROFILE:

Fire Protection Association of India was created in 2000 to take up issues related to Fire Protection Industry in India. The association regularly organizes Seminars, Conferences, Exhibitions and Training Programs etc. to create awareness and disseminate Technical knowledge among the Members as well as amongst the users (Industrial, Commercial, and Residential, Institutional etc.)

It also takes delegations & participates in International Trade Fairs related to Fire Fighting and Security Industry to upgrade the knowledge and to encourage Trade and Development & Exchange of Technology.

The Fire Protection Association of India catalysis change by working closely with Government on policy issues, enhancing Efficiency, Competitiveness and expanding business opportunities for Industry through a range of specialized services and global linkages.

The Association does interaction with lot of International Agencies like NFPA, UL, FM, LPCB, VDS, and FIA for promoting Fire Industry in India and also creating Export opportunities.

Currently the association has member's strength consisting of Fire Equipment Manufacturers, Exporters, Importers, Installers, System Integrators, and Fire Consultants.

FPAI Managing Committee:-

Committee members
Mr. Nitin Shah - President
Mr. Mukesh Shah - Vice President
Mr. Rajesh Sabadra - General Secretary
Mr. Kiran Rane - Treasurer
Mr. Mukesh M Shah - Comm. Member

Aim & Objective:-

- Creating awareness about need for protection against losses due to Fire.
- Minimize losses to life and property by providing adequate means of Fire Protection.
- Help in the creation of Standards for Fire Protection in India and encourage its implementation.
- Encourage those contributing to the cause of Fire Protection in India through awards etc.
- Address the concerns and common issues of our members.
- Explore and encourage all the avenues for creating a safe and FIRE-FREE-INDIA.
- Providing a common forum to the Industry for discussing relevant issues.
- Establish library, testing and training center research Center etc. for fire protection industries in India.
- To organize Seminar, Conference and Training Programs etc …to promote technical knowledge among the members.

- To maintain liaison and cordial relations with other national and international professional bodies having similar or Allied Aims & Objectives.
- To interact with various Govt. Agencies to promote the aims and objectives of society.
- To advise or represent to Government, Local Authorities and Public bodies on:-
    - The policies and measures, including defect and indirect taxation, adopted by them in relation to their effect on industry or commerce.
    - To prepare, edit, print, publish, issue, acquire and circulate books, papers, periodicals, gazettes, circulars and other literature relating to or being upon industry, trade or commerce pertaining to fire fighting equipments.
    - To send trade missions to foreign countries.
    - To collect statistics and other information regarding the production, trade or ultimate use of fire fighting equipments in various countries.
    - To promulgate information useful to manufacturers and traders of fire fighting equipments by letters, discussion, books, correspondence or otherwise.
    - To communicate with Chambers of Commerce and other mercantile and public bodies throughout India and conned and promote measures for the promotion and advancement of Manufacture and trading of fire Fighting Equipments.

Achievements:-

SEMINARS:

- Awareness Program On New Standards For Fire Extinguishers By Bureau Of Indian Standards (BIS) in Mumbai & Gujarat.
- Presentation on New Maharashtra Fire Act in association with Maharashtra Fire Services Dept. with Panel discussion with eminent Consultants, architects about the new fire act.
- Technical seminar on Fire Detection, Suppression and certification
- Meetings with Maharashtra Fire Services dept, for the workshop on License to act as licensed agency
- Seminars on use of alternate gases, to reduce environmental impact of ozone depleting substances.
- Seminars on Taxation issues such as on Excise, Sales Tax, and Service Tax applicable to Fire Protection Industry & Metrology Act 2009
- Awards for life time achievement and bravery to deserving leading personal in Fire services to recognized Their contribution and efforts.
- MOU with Fire Industry Association of UK. (FIA)
- Made representations to the concerned Ministries to address Taxation and other issues related to the Industry.

FIRE PROTECTION ASSOCIATION OF INDIA
Striving for a Fire Safe World

EXHIBITIONS:-

- Supports **Fire India Exhibition** on a regular basis (approx once in 2 years) which is the largest exhibition Of Fire Equipment in India bringing together not only Indian but a large contingent of foreign participants Exhibiting the latest products & technologies. This is held simultaneously with a large Conference of Delegates with several Technical subjects being presented, held in Association with **Institution of Fire Engineers.**
- Organise/support the Promotion of ***international*** trade through meetings with ***visiting*** foreign business **...**participation in ***Trade Fairs***/Exhibitions and business ***delegations abroad***. Such as **Intershutz, Intersec Dubai**, **NFPA Exhibition & Conference**, **Firex UK** and **China Fire**.

GLOSTER

Gloster Cables Limited

27 Years
1995-2022

ISO 9001:2015
Certified Company

ISO 14001:2015
Certified Company

GLOSTER FIRE SURVIVAL CABLES

(1) FS Cables can be offered based on various National / International Standards such as :

a. BS 7846 b. BS 7629-1 c. BS 7629-2
d. Other national / international standards

(2) Gloster uses XLPE / EPR / XL-LSZH Insulating Compounds as required by the FS Cable Standards.

(3) Can offer in Armoured / Unarmoured version, Unscreened / Screened versions, Single Core / Multi Core / Single Pair / Multi Pair version.

(4) Circuit integrity maintained as per various Testing standards such as

a. BS 6387 b. BS 8491
c. EN 50200 (with Annexure E) d. BS 8434-2
e. IEC 60331 f. IS 17505-1 g. Etc

(5) Gloster has supplied FS cables for Fire Fighting Systems to various industry segments such as Refineries, Buildings, Railway Stations etc etc

GLOSTER FIRE ALARM CABLES

1. Used in
   a. Fire Protective Circuits
   b. Burgler Alarm Circuits
   c. Smoke Detector Circuits
   d. Emergency Lighting Circuits
   e. Emergency Ventillation Circuits
   f. Etc
2. Gloster can offer with unscreened / screened versions, armoured / unarmoured versions

GLOSTER DOMESTIC WIRES

1. Offered with default FRLSH versions only (Design keeping personnel Safety in mind).
2. Special 3 layered insulation excellently bonded together, by triple layer extrusion machine.
3. Special Heat resistant over the conductor ensures temperature withstand way beyond specified in the Standards.
4. Offered in Class 5 conductor stranding – making handling / installing relatively easier and making terminations completely stress free.

GLOSTER PRODUCT RANGE
